Fundamentals of David Haas Chords

Harmonic Language and Style

David Haas's harmonic language primarily employs diatonic chords rooted in traditional modal and major/minor scales. His compositions tend to favor open, consonant harmonies that facilitate congregational participation. The harmonic progressions often follow familiar patterns but occasionally incorporate modal inflections, adding emotional nuance.

The style balances simplicity with expressive richness—using common chords like I, IV, V, and vi, alongside more nuanced chords such as ii, iii, and VII. This approach ensures that the music remains accessible to untrained singers while maintaining depth for seasoned musicians.

Common Chord Types in Haas's Compositions

- Major chords (I, IV, V)
- Minor chords (ii, iii, vi)
- Seventh chords (e.g., I7, IV7, V7)
- Suspended chords (sus2, sus4)
- Modal interchange chords (borrowed from parallel modes)

These chords are often used to create smooth, flowing progressions that support the lyrical message and facilitate emotional engagement.

Analyzing Typical Chord Progressions in David Haas's Songs

Standard Progressions

Many of Haas's compositions feature familiar progressions such as:

- I?IV?V?I: The classic harmonic cycle providing a sense of stability.
- I?vi?IV?V: A progression adding a touch of emotional depth with the minor vi.
- ii?V?I: Common in jazz-influenced sections, adding sophistication.

For example, in "You Are Mine," the verse often follows the I?vi?IV?V pattern, emphasizing reassurance and comfort.

Modal and Alternative Progressions

Some pieces incorporate modal interchange, borrowing chords from modes like Dorian or Mixolydian to evoke particular moods. For instance, the use of the flat VII chord (e.g., in C major, Bb major) imparts a slightly folk or modal feel, enriching the harmonic palette.

Harmonic Analysis of Key Songs

"You Are Mine"

- Key: C Major
- Chord Progression (Verse): C ? Am ? Dm ? G ? C
- Harmonic Features: The progression relies on diatonic chords with a gentle movement between tonic and subdominant/minor chords, creating an empathetic, comforting atmosphere.

"We Are Called"

- Key: G Major
- Chord Progression: G ? Em ? C ? D
- Features: Simple, repetitive progressions emphasize communal participation and reinforce thematic unity.

"Blest Are They"

- Key: F Major
